JUST WANT TO SHARE MY PHOTOS

A VERY WARM WELCOME TO THE READERS!

Per the client's demand, we are thrilled to present our first edition of Provoke Magazine, born out of passion, dedication, and commitment to our craft and design.

We are the local stunners of Cancun and Riviera Maya, Mexico, where we nestle our premier photo and video company —capturing and crafting the essence of countless mesmerizing moments for our clients, making them remember their memories forever.

Thanks to the continuous encouragement and support of our wonderful clientele, we have been able to create a magazine that reflects the journey we have embarked upon. We are grateful for your enthusiasm towards our work, which inspired us to create a platform where we share stories through images-stories that are full of emotions and creativity, celebrating the beauty that surrounds us.

You will find some captivating black-and-white photographs that prove the extraordinary elegance and depth of monochrome imagery. There are experiences that show a glimpse into the unique perspectives and experiences of our clients and their most precious memories.

There is a photo of the month that showcases the best work in the recent past, highlighting and mesmerizing our portfolio, and a section of "Why I Love My Job," where we invited our coworkers and talented individuals behind the lens and laptops to share their journeys, inspirations, and joys they find in our world.

As we embark on this exciting new chapter, we extend our heartfelt gratitude to each one of you who has supported us along the way. Your trust fuels our passion, and it's our honor to continue capturing the moments that matter most to you.

Thank you for joining us on this journey.

*Warm regards,
Provoke Photography*

PHOTOS OF THE MONTH

BLACK & WHITE

A space specifically carved out to explore the timeless appeal of boudoir photography from a monochromatic view. This section brings to light the contrasts, the shadows, and the textures and acts as the raw story and emotion that black and white images deliver. Photographers who work in black and white remove the distraction of color to concentrate on composition and form and to establish the intimate connection between the subject and the viewer. Find the elegance and beauty that black and white boudoir photography shines a light on in a visual language.

WHY I LOVE MY JOB

RUBÉN RODRÍGUEZ

HÁBLAME DE QUIÉN ERES.

Mi nombre es Rubén Rodríguez. Tengo 40 años. Soy originario de Córdoba, Veracruz. Mi familia radica allá y aquí vivo con mi perrita Julieta y mi gatito Romeo.

¿CÓMO TE INVOLUCRASTE EN LA FOTOGRAFÍA?

La primera vez que me involucré en la fotografía fue cuando vivía en EUA. Con mis amigas jugaba a que ellas era las modelos y yo el fotógrafo.

¿CUÁL ES SU FUENTE DE INSPIRACIÓN?

Mi fuente de inspiración la encuentro en la energía de las personas, los lugares y objetos.

¿CUÁL HA SIDO TU MAYOR DESAFÍO COMO ARTISTA? *Mi mayor desafío es cuando tengo que fotografiar a personas que no tienen una actitud positiva quieren ellos guiar el shooting; eso hace que me sienta bloqueado para crear.*

¿CÓMO DESCRIBIRÍAS TU ESTILO?

Mi estilo de fotografía lo describo como sensual y experimental; siempre busco elementos para incluirlos en las fotos (creo que eso de jugar con lo que encuentro es parte de mí).

TELL ME ABOUT WHO YOU ARE.

My name is Rubén Rodríguez. I'm 40 years old. I'm originally from Córdoba, Veracruz. My family lives there and I live here with my dog Julieta and my kitten Romeo.

I first got involved in photography when I lived in the USA. With my friends, I played that they were the models and I was the photographer.

WHAT IS YOUR SOURCE OF INSPIRATION?

I find inspiration from the energy of people, places, and objects.

WHAT HAS BEEN YOUR BIGGEST CHALLENGE AS AN ARTIST?

My biggest challenge is when I have to photograph people who do not have a positive attitude and want them to guide the shooting; that makes me feel blocked from creating.

HOW WOULD YOU DESCRIBE YOUR STYLE?

I describe my style of photography as sensual and experimental; I'm always looking for elements to include in photos (I think playing with what I find is part of me).

¿TU VIDA HA CAMBIADO MUCHO DESDE QUE ESTÁS EN EL MUNDO DE LA FOTOGRAFÍA?

Mi vida claro que ha cambiado desde que inicié profesionalmente en la fotografía, pues ahora me siento realizado por hacer algo que disfruto. Para mí el éxito radica en hacer lo que me gusta y poder ayudar a los demás a descubrir su sensualidad y resaltar su belleza.

¿CUÁL ES TU MAYOR LOGRO PERSONAL QUE HAS HECHO EN PROVOKE?

El mayor logro personal que he hecho en Provoke es impactar positivamente a las personas con las que trabajo.

¿CUÁL HA SIDO EL MOMENTO MÁS IMPACTANTE O MEMORABLE DE TU CARRERA HASTA AHORA?*El momento más impactante en mi carrera sucede cada vez que hago llorar a los clientes de felicidad al ver sus fotos, significa que toqué algo en su corazón.*

También fue cuando una pareja a la que le había hecho fotos regresó después de varios meses y me dijo:

"Rubén tú eres muy especial para nosotros, pues la última vez que estuvimos aquí habíamos decidido divorciarnos, pero después de la experiencia que tuvimos contigo y de ver nuestras fotos, mi esposa y yo decidimos no hacerlo, literal salvaste nuestro matrimonio". Ahí entendí que lo que hago tiene un gran impacto en las personas. Es como ir a terapia, solo que aquí es más divertido y hasta sale más barato que un año de visitas con el terapeuta.

¿CÓMO EQUILIBRAS TU VIDA PERSONAL Y PROFESIONAL?

Mi vida personal y profesional la equilibrio compartiendo tiempo de calidad con mis seres queridos, pintando, cuidando de mis plantas, y viajando de vez en cuando.

HAS YOUR LIFE CHANGED SIGNIFICANTLY SINCE YOU HAVE BEEN IN PHOTOGRAPHY?

Of course, my life has changed since I started professionally in photography because now I feel fulfilled for doing something I enjoy. For me, success lies in doing what I like and being able to help others discover their sensuality and highlight their beauty.

What is your biggest personal accomplishment you've made at Provoke? My greatest personal accomplishment at Provoke is positively impacting the people I work with.

WHICH MOMENT IN YOUR CAREER HAS LEFT THE BIGGEST IMPRESSION ON YOU SO FAR?

The most impactful moment in my career happens every time I make clients cry with happiness when they see their photos, it means I touched something in their heart.

It was also when a couple I had taken photos of returned after several months and told me:

"Rubén, you are very special to us, because the last time we were here we had decided to get divorced, but after the experience we had with you and after seeing our photos, my wife and I decided not to do it, you literally saved our marriage." There I understood that what I do has a great impact on people. It's like going to therapy, only it's more fun here and is even cheaper than a year of visits with the therapist.

HOW DO YOU BALANCE YOUR PERSONAL AND PROFESSIONAL LIFE?

I balance my personal and professional life by sharing quality time with my loved ones, painting, taking care of my plants, and traveling from time to time.
